29th March, 2018

**Invitation to
“2018 Innovative ICT” International Summer School on
Information and Communication Technology**

Dear Partner,

To enhance bilateral exchanges with partner universities, Xidian University will hold “2018 Innovative ICT” International Summer School on Information and Communication Technology between 22nd July to 31st July, 2018 in Xi'an, China. A series of activities will be organized, including cutting-edge lectures given by world-renowned scholars and industrial elites, field trips to the innovative start-up and a leading Chinese IT company and historical sites in Xi'an. For 10 days, students will have once-in-life experience with about 300 peers from all over the world.

We sincerely invite your university to recommend both undergraduate and postgraduate students in related fields to join in the summer school. To acknowledge your long-time support and promote bilateral student exchange, we will waive fees of two students, including the costs of food, accommodation, transportation, lectures, and visits after landing in Xi'an, but the costs of round-trip flights, insurance, and personal spending are not included.

Please see attached files for details. **Please note that required application materials should be sent to us by April 20th by email.** If you have any questions, please feel free to contact us.

Sincerely yours,

Y. P. Zuo (左元元)
